Inspiring Our Young Women
We learn more at Moorefield Girls High School. Our teachers take the time to challenge us while explaining concepts and they care about us as students and as people. Teachers here are very special. They put all their efforts into teaching us and making sure we succeed.

Eva Year 10

Moorefield Girls High School provides an enriched environment with stimulating intellectual challenges and opportunities for our students to turn their gifts into talents.

Are you looking for a supportive and safe learning environment which will cater to the individual needs of your gifted and talented daughter? Moorefield Girls High School has been recognised for many of its initiatives including our programs catering to the specific needs of gifted and talented students. Through specially targeted programs, our highly qualified staff enrich our students academically, in sport and through the creative and performing arts.

KEY FEATURES
- PROJECT BASED LEARNING
- EXTRACURRICULAR ACTIVITIES
- SOLVING REAL WORLD PROBLEMS
- ENRICHMENT
- EXTENSION

Academic Gifted & Talented Class
Students are placed in the GAT class based on academic merit. In year 7 students are placed according to a gifted and talented entrance assessment. In years 8 to 11, students are placed according to their academic merit and achievements or in the case of new enrolments, students apply directly to the school. The focus is on providing real world, project based learning opportunities that enrich and extend the students.

Talented Athlete Program
This is a talent identification program for talented sports people. In this program, Elite sportswomen utilise their expertise to develop and nurture the talents of our students. The School provides opportunities for students to participate in representative sport at all levels.

Talented Artist Class
We offer an enriched Visual Arts program leading to enhanced learning outcomes in all Key Learning Areas. The School provides encouragement and support for students to develop and enhance their current Visual Art skills. The School will provide opportunities for students to exhibit their talents both in school and the wider community.

Girls in girls’ schools achieve significantly stronger academic results than any other group in Australia.
